## Dr. Konstantin Frank 2017 Dry Rosé of Blaufränkisch

*New York's most award-winning winery since 1962*

### Winery Background

*Dr. Konstantin Frank ignited the “Vinifera Revolution”, a movement that forever changed the course of wine growing in the Finger Lakes and the United States. Dr. Frank’s vision, knowledge and determination are credited with elevating the New York wine industry from a state of happy mediocrity to a level that today commands world attention. Located on Keuka lake in the Finger Lakes region, Dr. Konstantin Frank Wines features some of the oldest vinifera vines in the United States and continues to produce wines of distinction and quality.*

### Vinification

Made in the saignée method. A method of rosé production that involves bleeding off the juice after limited contact with the skins. Pronounced ‘sonyay’. After this process, this juice consisting of Blaufränkisch goes through a cold fermentation in stainless steel tanks.

### The Wine

Description: A delicate rosé with subtle notes of rose water, strawberry and candied berries. cloves, red delicious apples and a long finish.

**Style:** Dry with soft mouth feel.
