2017 EUGENIA DRY RIESLING

91 *Robert Parker*

WINE ADVOCATE

"It certainly seemed concentrated, round and easy to drink on opening, surprisingly lush when contrasted with the last vintage I saw. It started out with a rich and full-bodied feel. The underlying acidity and tension are there, though, even if not overly aggressive in the wine's youth. As this aired out, it became more transparent, the overall concentration notwithstanding, but remained very approachable. Then, retasted the next day, it changed notably. Suddenly, it was all about the structure again. As it warmed, it added classic flavors and a touch of petrol, something to watch. It took another hour for the wine to come back into balance. This Riesling can indeed use the extra time the winery is giving it."

Year's Best Riesling (2019)

"From one of the oldest blocks on the estate, planted in the 1970s, this leads with scents of honeysuckle and peach blossoms. The flavors are a pure shot of apple, carried in a rich, beeswax texture."
