**Dr. Konstantin Frank
2014 Blanc de Blancs**

"This has a bit more of a steely edge than the fruitier 2014 Brut, a crisper feel and a hint of stones. There is a little more barrel here, too, but there is not much on either. The Brut is sexier, but this is a little more intense. This will win in the end, but at this point, pick 'em according to your taste. This should age well, as they all tend to do."

FOR FOUR GENERATIONS THE FRANK FAMILY HAS PRODUCED WINES OF THE HIGHEST *quality* IN THE TRADITION OF THE *legendary* DR. KONSTANTIN FRANK, "Father of Vinifera" IN THE EASTERN UNITED STATES.
