VINIFICATION: De-Stemmed. Direct Press.  
VESSEL: Stainless Steel. Temperature Controlled.  
FERMENTATION: Unoaked.

ACCOLADES  
91 JAMES SUCKLING

## VINTAGE

“We began 2021 with a milder winter resulting in fewer buds damaged from the cold. The growing season in 2021 was more typical for the region with cooler temperatures and adequate rainfall. The wines from this vintage will have crisp acidity balanced by delicate fruit flavors providing great structure. The Reds and Whites should age well as evidenced by our wine library going back to the 1962 vintage.”

*-Frederick Frank*

## VINEYARD

Riesling was first brought to the Finger Lakes by our founder. Those original vines dating back to 1958 are still in production. Riesling blocks on our Keuka vineyard were planted in 1958, 1962, 1968, 1976, 1999, 2006, and 2012 with various clones (88, 90, 11, 318, 239, 49, 110, 38). Soils here are shallow, shale-based which add minerality, acidity, and elegance. Riesling was planted in 2007, 2008, 2010, and 2012 on our Seneca estate vineyard with 90 and 356 clones. Temperatures here are a few degrees warmer than Keuka thus providing riper fruit notes. Soils on Seneca are characterized by deep honeye silt loam. A small portion of the grapes come from Eric Volz Vineyard, just north across the road from Dr. Konstantin Frank’s plantings on Keuka Lake.

## THE WINE

Delicate and elegant, harmonizing lime zest, granny smith apples, and mineral stoniness from the Keuka vineyards with fresh citrus and nectarine from the Seneca vineyards. The zingy freshness brings energy, brightness, and persistence.

## FOOD PAIRING

This delicate Dry Riesling with elevated acidity pairs best with soft goat cheeses, simply prepared chicken or pork dishes sauteed or grilled, lightly prepared white fishes, salmon, or scallops, and greens salads.
