

DR. KONSTANTIN FRANK WINERY SPARKLING FINGER LAKES BLANC DE BLANC BRUT 2017

An elegant sparkling chardonnay with an excellent balance of discreet citrusy-fruit and fresh-herb character with generous creaminess from lees contact through the long finish. Very well-integrated, fine mousse and impressively ripe acidity for this category make this a good alternative to Champagne. Disgorged in January 2022. Drink or hold.
